Dear Mr. Cardinale,

On behalf of the Garden State Philharmonic, we thank you very much for your gracious sponsorship of \$1,500.00 dated September 5, 2008. Your sponsorship will appear in our 2008-2009 Season program book starting with our opening concert on October 25, 2008.

It is through generous offerings such as this that the Garden State Philharmonic is able to fulfill its mission of presenting high quality orchestral and music education experiences for our community.

We are very grateful for this wonderful gift that helps celebrate over 50 years of live music by the Garden State Philharmonic at the Jersey Shore. No goods or services were provided in exchange for your contribution.

See you at the Symphony!!

Sincerely,

Sean D. Baker
Executive Director
